Starting an application

Once you have logged in you should come to this home page

Use the apply button at the top of the page and read the information on the next page carefully before moving on.

Once you have read this you can scroll down and click 'Start application' to begin.

Once you have started an application it will be listed at the bottom of the page with its status and the option to download a PDF of your answers.

The first page contains a lot of important information so please ensure you **read all of this section** carefully. If you have not already, please use these links to visit the SPCR website and read the important information on the internship programme. There is a list of projects and FAQs, as well as information on who is eligible to apply for the programme. **It is important that you are familiar with all of this information before you start your application.**

Before you can complete the main application questions you are required to answer four eligibility questions.

Please confirm you are currently studying on a UK based undergraduate university course ○ Yes ○ No	Only UK based undergraduate students are eligible to apply for this internship
Please confirm you HAVE NOT undertaken an SPCR internship before ○ Yes ○ No	If you have previously undertaken an SPCR internship you are not eligible to apply again
Please confirm this is your only application to the SPCR 2026 internship programme ○ Yes ○ No	You can only submit one application for one project
I understand that I must answer all questions on this form including selecting a project or my application will be rejected ○ Yes ○ No	Any incomplete applications will not be sent for review and no changes or application submissions will be made after the deadline

You can navigate between pages using the tabs at the top or the save+next button at the bottom of each page.

Manage applications → SPCR Internship 2026 application→ Start application ⓘ

All questions must be answered, unless marked optional.

Once you have completed all sections, please take the time to review before submitting.

We will not consider any incomplete applications.

Even if you have submitted your application, you can still update or make changes until the deadline. After that, you cannot change your application or request changes to be made by SPCR.

We will not accept any submissions made after the deadline for any reason so please ensure your application is fully completed and submitted in plenty of time to ensure your application can be considered.

If you have questions not answered by this guide or the help section on GoodGrants please contact us at spcr@keele.ac.uk

We do experience a high number of enquiries so please allow 3 working days for a reply.
