

What is the research process?

Annette Allinson

Exeter Collaboration for Academic Primary Care (APEX)
Patient and Public Involvement and Engagement Group

Beccy Summers

Applied Research Collaboration South West Peninsula
(PenARC) Patient and Public Involvement and Engagement
Team

By the end of the session, you will be able to.....

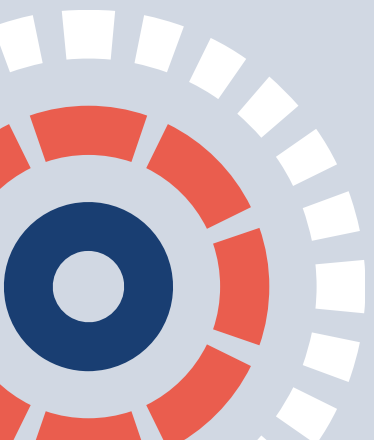

- Understand and identify the steps in the research process.
- Understand and describe examples of how patient and public members can be involved throughout the research process.

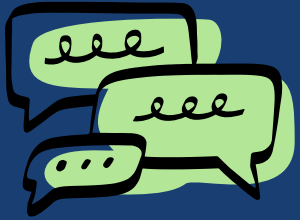

What do we already know?

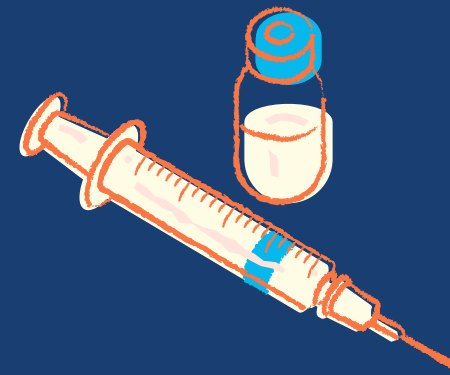

What is our research question?

Back pain

New treatment

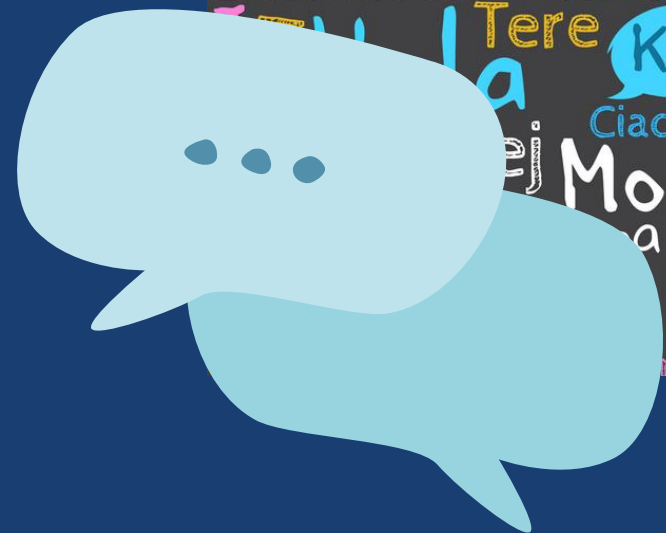

How will we find an answer?

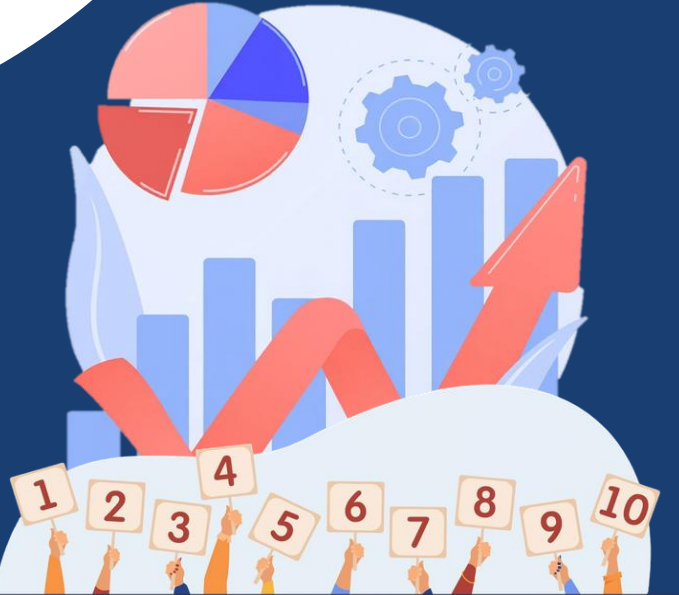

How will we find an answer?

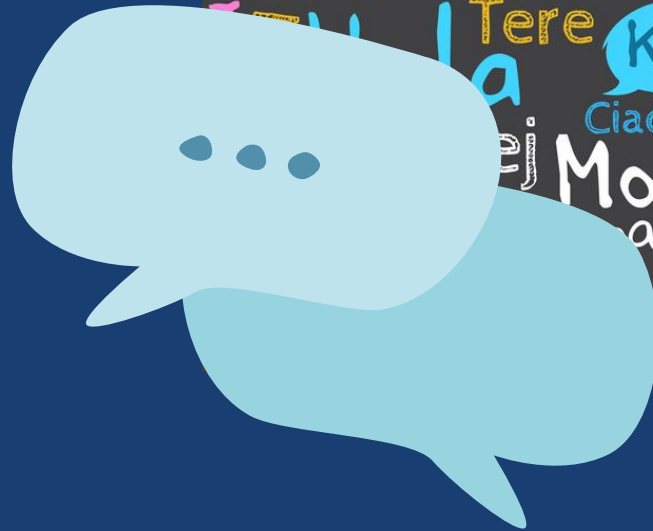

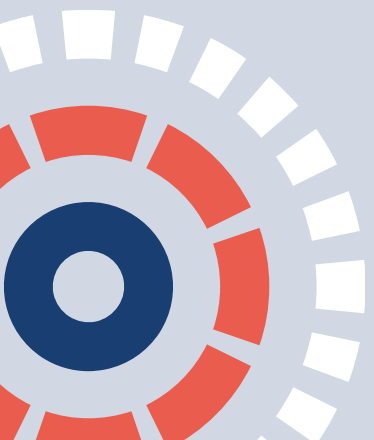

How will we find an answer?
