

SPCR Project No	Funding Round	SPCR Theme	Project Title	Lead Partner	PI First name	PI Surname	Start Date	End Date
243	9	Organisation and delivery of care	Understanding the volume and content of general practice consultations: the 5th National Morbidity Study	Bristol	Chris	Salisbury	01/01/2016	31/08/2018
268	9	Acute care	Risk factors for influenza-related complications in children: a retrospective cohort study using linked routinely collected data from the Clinical Practice Research Datalink and National Pandemic Flu Service	Oxford	Kay	Wang	01/10/2015	31/03/2018
271	9	Acute care	The Association Between Evidence-Based Medication Use And Unplanned Hospital Admissions: A National Observational Study in Primary Care	Oxford	Kamal/ Niklas	Mahtani/ Bobrovitz	01/10/2015	31/10/2017
276	9	Acute care	Andrographis paniculata for symptomatic relief of lower respiratory tract infection: A Cochrane review	Southampton	Mike	Moore	01/10/2015	28/02/2017
336	12	Acute care	Herbal Alternative Treatment for lower Respiratory tract Infections with Cough in adults (previously known as Feasibility study of Pelargonium sidoides root extract EPs <sup>®</sup> 7630 (Kaloba <sup>®</sup> ) for lower respiratory tract infection (previously known as Feasibility study of Pelargonium sidoides root extract EPs <sup>®</sup> 7630 (Kaloba <sup>®</sup> ))	Southampton	Mike	Moore	01/04/2017	31/03/2019
366	13	Acute care	Parents' perceptions of Antibiotic USE and antibiotic resistance (PAUSE): a qualitative interview study	Oxford	Oliver	Van Hecke	08/12/2016	31/12/2017
371	13	Acute care	Investigating the possible role of Andrographis paniculata as a symptomatic intervention for acute respiratory tract infections: a qualitative study exploring the attitudes and beliefs of health professionals around the use of herbal medicines to treat acute respiratory tract infections (RTIs)	Southampton	Miriam	Santer	01/04/2017	30/04/2018
413	16	Acute care	Do cranberry capsules reduce the consumption of antibiotics for symptoms of acute uncomplicated urinary tract infections? A feasibility study	Oxford	Kome	Gbinigie	01/07/2018	30/06/2020
414	16	Acute care	Understanding antibiotic prescribing patterns in out-of-hours (OOH) primary care	Southampton	Geraldine/ Rebecca	Leydon/ Barnes	01/04/2018	30/09/2020
415	16	Acute care	Saline Nasal Irrigation For acute Sinusitis (II): A Randomized Controlled Pilot Trial	Southampton	Paul	Little	01/08/2018	01/07/2020
334	12	Acute care <sup>2</sup>	Developing clinically useful subgroups from urine samples reported as 'mixed growth' to guide primary care clinicians	Oxford	Gail	Hayward	01/01/2017	31/07/2018
298	11	Acute care <sup>2</sup>	Burnout in general practitioners: a systematic review of relationships with patient safety and a feasibility study of the measurement of burnout	Manchester	Maria	Panagioti	01/06/2016	12/04/2017
376	13	Acute care <sup>2</sup>	Antibiotic Negotiations Conversation Analytic Project	Southampton	Gerry	Leydon	01/04/2017	31/10/2018
244	9	Disease Prevention and diagnosis	Identification of gambling problems in primary care: A quantitative study	Bristol	Sean	Cowlshaw	01/10/2015	31/03/2017
248	9	Disease Prevention and diagnosis	Systematic review of prostate cancer risk prediction models for use in the general population	Cambridge	Greg	Irving	01/10/2015	28/02/2017
249	9	Disease Prevention and diagnosis	Validation of existing risk prediction models for colorectal cancer	Cambridge	Juliet	Usher-Smith	01/10/2015	31/12/2017
257	9	Disease Prevention and diagnosis	The diagnostic and prognostic value of the symptom of shortness of breath in primary care: a cohort study	Keele	Ying 'Jack'	Chen	01/10/2015	30/09/2016
258	9	Disease Prevention and diagnosis	Predicting individual risk of future hip and knee replacement for osteoarthritis	Keele	Dahi	Yu	01/10/2015	31/03/2017
264	9	Disease Prevention and diagnosis	Keeping active: maintenance of physical activity in older people after an exercise intervention	Nottingham	Denise	Kendrick	01/10/2015	30/06/2017
266	9	Disease Prevention and diagnosis	Implementing diagnostic genetic testing for familial hypercholesterolaemia in primary care: qualitative study	Nottingham	Nadeem	Qureshi	01/10/2015	31/03/2017
269	9	Disease Prevention and diagnosis	Evidence synthesis for economic decision models of primary care diagnostics	Oxford	Tom	Fanshawe	01/10/2015	31/07/2016
278	9	Disease Prevention and diagnosis	Assessment of sarcopenia in primary care: identifying potential practical tools for assessment and scope for intervention	UCL	Goya	Wannameth	01/03/2016	30/09/2016
121	10	Disease Prevention and diagnosis	CANcer Diagnosis Decision rules	Southampton	Paul	Little	01/10/2015	30/09/2017
170	10	Disease Prevention and diagnosis	Alternative Treatments of Adult Female Urinary Tract Infection: a double blind, placebo controlled, factorial randomised trial of Uva ursi and open pragmatic trial of ibuprofen	Southampton	Michael	Moore	01/10/2015	31/07/2017
281	10	Disease Prevention and diagnosis	Deaths and hospital admissions during cold weather: derivation and validation of a tool to help primary care identify vulnerable people	Bristol	Richard	Morris	01/03/2016	31/12/2017
292	11	Disease Prevention and diagnosis	Validation of existing risk prediction models for prostate cancer using data from UK BioBank / EPIC-Norfolk	Cambridge	Greg	Irving	01/03/2016	28/02/2017

294	11	Disease Prevention and diagnosis	Exploring patient barriers to the diagnosis of Giant Cell Arteritis in primary care	Keele	James	Prior	01/04/2016	31/03/2017
307	11	Disease Prevention and diagnosis	Trends in NHS prescribing of dual NRT (DNRT) and varenicline in pregnancy and effects on infants	Nottingham	Lisa	Szatkowski	01/04/2016	30/06/2017
309	11	Disease Prevention and diagnosis	Systematic review to assess the impact of point-of-care tests on patients and healthcare processes	Oxford	Clare	Goyder	01/04/2016	31/07/2016
310	11	Disease Prevention and diagnosis	Blood pressure in pregnancy: a discourse analysis of official, informal and online information for pregnant women	Oxford	Lisa	Hinton	01/09/2016	31/03/2018
316	11	Disease Prevention and diagnosis	Exploring primary care patients' experience of an internet intervention 'Healthy Paths' for emotional distress	Southampton	Adam	Geraghty	01/06/2016	30/09/2017
318	11	Disease Prevention and diagnosis	SAFETY (Screening for Atrial fibrillation using economical and accurate technology)	Southampton	Mark	Lown	01/06/2016	30/06/2018
319	11	Disease Prevention and diagnosis	Experiences of lower limb cellulitis and cellulitis prevention: qualitative interview study	Southampton	Miriam	Santer	01/07/2016	31/10/2017
323	11	Disease Prevention and diagnosis	An examination of STI testing influences for young people in primary care	UCL	Lorraine	McDonagh	02/11/2016	31/12/2017
331	12	Disease Prevention and diagnosis	Quantifying severity of chronic conditions in English Primary Care using the Clinical Practice Research Datalink	Manchester	Evan	Kontopante	01/02/2017	31/07/2019
332	12	Disease Prevention and diagnosis	Improving identification of familial hypercholesterolaemia in primary care using a new case ascertainment tool (FAMCAT)	Nottingham	Nadeem	Qureshi	01/09/2016	28/02/2019
338	13	Disease Prevention and diagnosis	Exploring barriers and facilitators to identifying anxiety disorders in primary care	Bristol	Maria	Barnes	01/10/2017	30/11/2018
339	13	Disease Prevention and diagnosis	The effectiveness of CVD preventative treatment in a multi-morbid population	Bristol	Rachel	Denholm	01/01/2018	30/06/2019
341	13	Disease Prevention and diagnosis	What are the barriers and facilitators when conducting CTIMPs in a primary care setting: experiences and lessons from the PROPS trial	Cambridge	Ricky	Mullis	01/04/2017	31/03/2018
342	13	Disease Prevention and diagnosis	Development of simple risk models incorporating modifiable risk factors for the most common preventable cancers using EPIC-Norfolk	Cambridge	Juliet	Usher-Smith	01/04/2017	31/03/2018
349	13	Disease Prevention and diagnosis	Rheumatological and inflammatory conditions as risk factors for self-harm and suicide. A retrospective cohort study	Keele	James	Prior	01/04/2017	31/03/2018
353	13	Disease Prevention and diagnosis	Quantifying severity of chronic conditions in English Primary Care using the Clinical Practice Research Datalink	Manchester	Evan	Kontopante	01/04/2017	31/07/2018
357	13	Disease Prevention and diagnosis	Acceptability and feasibility of a new weight specific quality of life measure as a screening tool in primary care	Newcastle	Yemi	Oluboyede	01/04/2017	31/09/2018
361	13	Disease Prevention and diagnosis	External Validation of the Familial Hypercholesterolaemia Case Ascertainment Tool (FAMCAT)	Nottingham	Stephen	Weng	01/04/2017	30/09/2018
362	13	Disease Prevention and diagnosis	Evaluation of the impact of the national 'Safe At Home' scheme on injury rates in children under 5 using secondary care data.	Nottingham	Elizabeth	Orton	01/07/2017	30/06/2018
363	13	Disease Prevention and diagnosis	Non-pharmacological approaches to optimising vaccine effectiveness: the development of an effective and acceptable intervention for primary care	Nottingham	Kieran	Ayling	01/04/2017	31/03/2018
367	13	Disease Prevention and diagnosis	What is the value of diagnostic tests at presentation in the ambulatory care setting to identify serious bacterial infections in the elderly? A systematic review and meta-analysis	Oxford	Kome	Gbingie	01/06/2017	30/09/2018
372	13	Disease Prevention and diagnosis	Epidemiology of Sepsis in adults in Primary Care: an exploratory study using the Hampshire Health Record	Southampton	Michael	Moore	01/04/2017	31/03/2018
374	13	Disease Prevention and diagnosis	Prolonged Antibiotic Use, Inflammation and Obesity (PROBITY) - A Retrospective Cohort Study	Southampton	Mark	Lown	01/04/2017	31/12/2018
385	14	Disease Prevention and diagnosis	D-Mannose to prevent Recurrent UTI: a double blind randomised placebo controlled trial	Oxford	Gail	Hayward	01/04/2018	30/06/2020
387	14	Disease Prevention and diagnosis	Microbiology of throat swabs collected when patients present to primary care with acute cough	Oxford	Kyle	Knox	01/02/2018	30/08/2018
388	14	Disease Prevention and diagnosis	Evaluating the impact of the 2011 NICE Hypertension Guideline on the Management of Hypertension in Primary Care and Subsequent Outcomes	Oxford	Richard	McManus	01/10/2017	30/12/2018
394	15	Disease Prevention and diagnosis	The influence of adaptations to eating on patients' symptom appraisal and timely presentation with possible cancer symptoms: a qualitative secondary analysis	Cambridge	Elka	Humphrys	01/04/2018	31/12/2018
395	15	Disease Prevention and diagnosis	Using conversation analysis to explore communication of cardiovascular disease and cancer risk in primary care	Cambridge	Katie	Mills	01/04/2018	31/12/2018

410	16	Disease Prevention and diagnosis	Screening for atrial fibrillation	Cambridge	Jonathan	Mant	01/04/2018	31/03/2019
333	12	Disease prevention and diagnosis	Research RCT on the effectiveness of GP promotion of e-cigarettes in supporting reduced smoking & abstinence in hardcore smokers with smoking-related chronic disease	Oxford	Rachna	Begh	01/11/2017	31/10/2019
256	9	Disease Prevention and diagnosis	Non-clinical Incidence of osteoporosis and fracture in common inflammatory diseases in primary care	Keele	Zoe	Paskins	01/10/2015	30/09/2016
261	9	Disease Prevention and diagnosis	Non-clinical Assessing dementia risk in general practice: a qualitative study of the attitudes and views of patients and the public.	Newcastle	Louise	Robinson	01/10/2015	31/07/2017
277	9	Disease Prevention and diagnosis	Non-clinical Assessing dementia risk in general practice: a qualitative study of the attitudes and views of primary care health professionals	UCL	Greta	Rait	01/10/2015	30/09/2017
290	11	Disease Prevention and diagnosis	Non-clinical Identifying patients at raised risk of stroke due to paroxysmal or persistent atrial fibrillation in primary care populations	Cambridge	Duncan	Edwards	01/04/2016	31/10/2018
340	13	Disease Prevention and diagnosis	Non-clinical Association of blood cholesterol and lipid-lowering treatments with post-stroke dementia: cohort studies using Clinical Practice Research Datalink and Cognitive Function and Ageing Studies	Cambridge	Zhirong	Yang	01/04/2017	30/09/2018
348	13	Disease Prevention and diagnosis	Non-clinical Glucocorticoid induced complications in patients with polymyalgia rheumatica and giant cell arteritis	Keele	Toby	Helliwell	01/04/2017	30/09/2018
359	13	Disease Prevention and diagnosis	Non-clinical Is prevention better than cure: assessing dementia risk in primary care	Newcastle	Louise	Robinson	01/10/2017	30/09/2018
407	15	Disease Prevention and diagnosis	Non-clinical Exploring the views of primary care and community professionals on managing malnutrition in frail older people	UCL	Cini	Bhanu	01/05/2018	01/11/2018
262	9	Disease Prevention and diagnosis	Non-clinical The role of primary care in liver disease: early detection and end of life care? A qualitative study of the perceptions of primary health care professionals	Newcastle	Barbara	Hanratty	01/10/2015	31/03/2017
324	11	Disease Prevention and diagnosis	Non-clinical Qualitative study to determine views on, and preferences for, a digital diabetes prevention programme (DPP) among individuals at high risk of developing diabetes and primary care professionals	UCL	Elizabeth	Murray	01/01/2016	31/12/2018
390	14	Disease Prevention and diagnosis	Non-clinical Evidence Synthesis	Oxford	Carl	Heneghan	01/10/2017	30/09/2020
312	11	Disease Prevention and diagnosis	Non-clinical An evidence synthesis of Clinical Study reports for NOACs (DiSCeRN – phase 1)	Oxford	Kamal	Mahtani	01/04/2016	31/03/2017
325	11	Disease prevention and diagnosis	Non-clinical A risk prediction tool to identify pregnant women at high risk of postnatal depression	UCL	Sarah	Hardoon	01/02/2016	30/09/2018
344	13	Disease Prevention and diagnosis	Organisational Identifying effective ways to increase the uptake of cessation support among smokers: systematic review and meta-analysis	Cambridge	Joanne	Emery	01/07/2017	31/12/2018
412	16	Disease Prevention and diagnosis	Organisational Quantifying the Risk of Type 2 Diabetes Across the UK	Oxford	Benjamin	Feakins	01/04/2018	30/09/2019
346	13	Disease Prevention and Diagnosis	Organisational Improving the diagnostic process for patients with bladder and kidney cancer: variations in pre-diagnostic clinical activities and events	Cambridge	Yin	Zhou	01/05/2017	30/04/2018
247	9	Disease Prevention and diagnosis	Organisational Assessing the potential of a data sharing and communication facility within a cessation smartphone app (Q Sense) for patients and NHS smoking cessation advisors	Cambridge	Felix	Naughton	01/10/2015	31/03/2017
252	9	Disease Prevention and diagnosis	Research Children and Adolescents with Musculoskeletal Pain in primary care: CAM-Pain Feasibility Study	Keele	Kate	Dunn	01/10/2015	31/03/2017
304	11	Disease Prevention and diagnosis	Research Unintended effects of novel oral anticoagulants (NOAC) vs warfarin in real world settings vs warfarin	Nottingham	Julia	Hippisley-Cox	01/07/2016	31/03/2018
355	13	Disease Prevention and diagnosis	Research PrevEnting depReSSion in the commUnity by voluntary sector proviDErs	Manchester	Waquas	Waheed	01/07/2017	30/06/2018
311	11	Disease Prevention and diagnosis	Research Cochrane Tobacco Addiction Group twentieth anniversary priority setting	Oxford	Nicola	Lindson	01/04/2016	31/03/2017
293	11	Disease Prevention and diagnosis	Non-clinical Developing and pre-testing a tailored interactive voice response (IVR) intervention to support adherence to anti-hypertensive medications	Cambridge	Katerina	Kassavou	01/09/2016	31/08/2017
254	9	Non-communicable disease and ageing	Can metaphors usefully represent underlying CBT principles for Medically Unexplained Symptoms (MUS), and how acceptable are such generic and MUS specific metaphors to patients and practitioners?	Keele	Athula	Sumathipala	01/10/2015	30/06/2017
251	9	Non-communicable disease and ageing	Patterns of medication use and polypharmacy at the end of life	Cambridge	Stephen	Barclay	01/10/2015	31/03/2018
253	9	Non-communicable disease and ageing	Comparative Effectiveness of Treatment Options for Subacromial Shoulder Conditions: A Network Meta-Analysis	Keele	Danielle Bab	van der Win	01/10/2015	31/05/2017

255	9	Non-communicable disease and ageing	The role of systemic inflammatory diseases in long-term morbidity and mortality: a retrospective, matched-cohort study in the Clinical Research Practice Datalink	Keele	Lorna	Clarson	01/10/2015	30/09/2016
265	9	Non-communicable disease and ageing	Anticholinergic drugs and the risk of dementia: a nested case control study	Nottingham	Carol	Coupland	01/10/2015	31/03/2017
272	9	Non-communicable disease and ageing	The development of a digital GP behaviour change intervention to support GPs in the delivery of evidence based practice around the management of PSA screening and active surveillance in primary care	Southampton	Sam	Watts	01/04/2016	31/03/2017
289	11	Non-communicable disease and ageing	The Tip of the Iceberg: Identifying Patients with Heart Failure and Preserved Ejection Fraction (HFpEF) in Primary Care	Cambridge	Christi	Deaton	02/03/2016	30/06/2017
295	11	Non-communicable disease and ageing	Rosehip for pain in osteoarthritis of hip, hand and knee: A Cochrane review	Keele	Christian	Mallen	01/04/2016	31/03/2017
296	11	Non-communicable disease and ageing	Project title: Illness perceptions and explanatory models in patients with type 2 diabetes and co-morbid depression	Keele	Athula	Sumathipala	01/04/2016	30/09/2017
297	11	Non-communicable disease and ageing	Project title: Patient-led non-pharmacological management of ACuTe FLAREs of knee osteoarthritis in primary care settings: a feasibility and pilot study	Keele	Martin	Thomas	01/04/2016	31/08/2017
317	11	Non-communicable disease and ageing	Rosehip for pain in osteoarthritis of hip, hand and knee: A Cochrane review	Southampton	Mike	Moore	01/05/2016	31/07/2017
321	11	Non-communicable disease and ageing	Mindfulness in recurrent ovarian cancer	Southampton	Sam	Watts	01/05/2016	30/09/2017
322	11	Non-communicable disease and ageing	Exploring the use of the internet as a support tool for older family carers of people with dementia	UCL	Nathan	Davies	01/05/2016	31/08/2018
335	12	Non-communicable disease and ageing	Optimising Treatment for Mild Systolic hypertension in the Elderly (OPTIMISE)	Oxford	James	Sheppard	01/10/2016	31/05/2019
343	13	Non-communicable disease and ageing	'I'm fine': exploring patient and carer assertions of status in advanced COPD and clinical implications for primary care	Cambridge	Robbie	Duschinsky	01/04/2017	30/06/2018
347	13	Non-communicable disease and ageing	Management of Patients with Heart Failure with Preserved Ejection Fraction: What do Patients and Providers Need and Want?	Cambridge	Christi	Deaton	01/05/2017	31/05/2019
350	13	Non-communicable disease and ageing	Gout and Neurodegenerative Disorders: A retrospective cohort study in the Clinical Practice Research Datalink	Keele	Lorna	Clarson	01/06/2017	30/11/2018
351	13	Non-communicable disease and ageing	Subgrouping and Targeted Exercise programmes for Osteoarthritis: the role of comorbidity	Keele	Melanie	Holden	01/04/2017	31/03/2018
352	13	Non-communicable disease and ageing	Getting a Better View of Osteoarthritis Trajectories and Variability (OA-TV): systematic reviews and stakeholder engagement	Keele	Martin	Thomas	01/04/2017	31/12/2017
356	13	Non-communicable disease and ageing	Disease and healthcare usage in the 10 <sup>th</sup> decade – Newcastle 85+ Study 10 year follow up.	Newcastle	Rachel	Duncan	01/06/2017	31/12/2018
360	13	Non-communicable disease and ageing	Health and wellbeing of older adults in care homes: What can we learn from existing longitudinal studies?	Newcastle	Barbara	Hanratty	01/01/2018	30/06/2018
365	13	Non-communicable disease and ageing	Statin use in COPD patients and risk of exacerbations: a cohort study using data from English primary care	Oxford	Margaret	Smith	01/08/2017	30/06/2018
368	13	Non-communicable disease and ageing	Establishing research priorities to improve the management of patients with advanced heart failure using the James Lind Alliance method	Oxford	Clare	Taylor	01/10/2017	31/03/2019
370	13	Non-communicable disease and ageing	Understanding the support needs of people with chronic fatigue syndrome/ myalgic encephalomyelitis (CFS/ME): A qualitative meta-synthesis	Southampton	Carolyn	Chew-Graham	01/09/2017	30/06/2018
377	13	Non-communicable disease and ageing	Managing malnutrition in later life: exploring the views and dietary practices of older people at risk of malnutrition and their carers	UCL	Kalpa	Kharicha	01/06/2017	28/02/2019
378	13	Non-communicable disease and ageing	Management of anxiety and depression in frail older people: a qualitative study	UCL	Rachael	Frost	01/10/2017	31/05/2018
383	14	Non-communicable disease and ageing	The TEST (Trial of Eczema allergy Screening Tests) Study: feasibility randomised controlled trial with economic scoping and nested qualitative study	Bristol	Matthew	Ridd	01/10/2017	30/11/2019
384	14	Non-communicable disease and ageing	Optimising Management of Patients with Heart Failure with Preserved Ejection Fraction in Primary Care (Optimise-HFpEF)	Cambridge	Christi	Deaton	01/10/2017	30/06/2020
393	15	Non-communicable disease and ageing	Optimising Management of Patients with Heart Failure with Preserved Ejection Fraction in Primary Care (Optimise-HFpEF) Sub-studies	Cambridge	Christi	Deaton	01/04/2018	31/03/2019
396	15	Non-communicable disease and ageing	Long-term outcome of foot pain and osteoarthritis in older people in the general population: The Clinical Assessment Study of the Foot (CASF) seven-year follow-up.	Keele	Edward	Roddy	01/04/2018	31/03/2019

401	15	Non-communicable disease and ageing	Experiencing health at 95+: Qualitative interview study with surviving participants from 85+ study	Newcastle	Joy	Adamson	01/06/2018	31/05/2019
402	15	Non-communicable disease and ageing	Reducing malnutrition and frailty in older people in primary care: understanding the impact of oral health in later life.	Newcastle	Sheena	Ramsay	01/04/2018	31/03/2019
404	15	Non-communicable disease and ageing	A low-carbohydrate, low-energy dietary intervention in primary care for patients with type 2 diabetes: a randomised feasibility trial.	Oxford	Elizabeth	Morris	01/04/2018	30/09/2019
405	15	Non-communicable disease and ageing	Measuring changes in the lipid markers in the PC-SHOP trial	Oxford	Carmen	Piernas-Sand	01/04/2018	31/03/2019
267	9	Non-communicable disease and ageing	Blood pressure self-monitoring individual patient meta-analysis of registered trials; sub group analyses in a multi-morbid population	Oxford	Katherineta	TuckerShep	01/10/2015	31/03/2017
364	13	Non-communicable disease and ageing	Body composition measurement and its prognostic value in aging and disease	Oxford	Carmen	Piernas-Sand	01/09/2017	31/08/2018
263	9	Non-communicable disease and ageing	Can a frailty index be used in primary care practice to improve prognostication at the end of life? A multi-method study	Newcastle	Barbara	Hanratty	01/10/2015	31/12/2017
291	11	Non-communicable disease and ageing	Towards person-centred care: development of a patient support needs tool for patients with advanced Chronic Obstructive Pulmonary Disease (COPD) in primary care	Cambridge	Morag	Farquhar	01/02/2016	31/03/2017
300	11	Non-communicable disease and ageing	Improving Access to Dementia Care in British ethnic minorities	Manchester	Waquas	Waheed	01/04/2016	30/09/2016
301	11	Non-communicable disease and ageing	Determinants and burden of differing health trajectories in the very old.	Newcastle	Rachel	Duncan	01/09/2016	31/12/2018
303	11	Non-communicable disease and ageing	Exploring the relationship between frailty, multi-morbidity and the use of healthcare resource by the very old	Newcastle	Louise	Robinson	01/10/2016	30/09/2017
280	9	Non-communicable disease and ageing	Online structured education with email facilitation for people with type 2 diabetes: feasibility trial	UCL	Elizabeth	Murray	01/10/2015	30/09/2016
382	14	Non-communicable disease and ageing	Establishing research priorities to improve the management of patients with advanced heart failure using the James Lind Alliance method	Bristol	Rachel	Johnson	01/10/2017	31/03/2019
375	13	Non-communicable disease and ageing	Standardised Chinese herbal medicine for oligomenorrhoea and amenorrhoea in polycystic ovary syndrome: Nominal group technique and observational non-randomised study	Southampton	Merlin	Willcox	01/04/2017	30/09/2018
380	13	Non-communicable disease and ageing	The feasibility of examining cardiovascular event rates with different add-on therapies to metformin for type 2 diabetes mellitus using primary care data through benchmarking results against randomised controlled trials	UCL	Manuj	Sharma	01/02/2018	30/09/2018
373	13	Non-communicable disease and ageing	Investigating the feasibility of a mobile mindfulness-based digital intervention for patients with asthma	Southampton	Ben	Ainsworth	01/04/2017	31/03/2018
245	9	Organisation and delivery of care	The impact on children of exposure to domestic violence and the implications for a primary care response: a systematic review and secondary analysis of qualitative evidence	Bristol	Alison	Alison Gregory	01/10/2015	31/03/2017
