

Application Form: September 2024 Exchange to Manchester

Name:
Job Title:
Employer:
If you are clinically qualified, please state your clinical role:
Country of current work/residence:

Please briefly describe your research work to date (150 words):

Please describe your three best outputs so far (this could be publications, presentations, quality improvement projects)

Please tell us why you want to come to the UK for the exchange (<150 words)

Please tell us your brief initial plans for a small project with your host (e.g. writing a report)

Please tell us your research career aims and how the exchange would help you achieve these (<150 words):

Please tell us an area of research you are interested in. This could be a topic (e.g. cardiovascular disease) or a methodology (e.g. qualitative research) or more broad themes (lifestyle medicine, prevention). Where possible we will try to match you to someone with a similar interest

Please tell us if you have any specific requirements, e.g. disability, access requirements, or need for a visa to visit the UK? This information will not be used in selection, it is to help us with organisation.

Thanks for completing the form.
